FLOOR DEBATE

April 10, 2002 LB 1021

him because he's doing the white people's dirty work. I'm not going to offer my amendment to Senator Jensen's bill, but at some point I'm going to find a bill, and I certainly intend to do it, and when we see injustice in the world we should raise our voice. I know that I shall raise mine. Palestine belongs to the Palestinians. Israel is an occupying alien force. The United States and Britain told the world, declare Israel a nation and take the land from the Palestinians and give the Israelis every kind of weaponry that is imaginable. Not only is Israel one of the most highly armed states in the world; it is one of the largest arms sellers in the world, and Israel sells arms to both sides in conflicts. They will go to one side and sell weaponry, equipment and vehicles; then go to the other side and sell them the anti weapons to destroy what they sold to the first side. They are masters at reproducing other people's documents, counterfeiting.

SENATOR WICKERSHAM: One minute.

SENATOR CHAMBERS: The Mossad is known for these kinds of things so when they come up with pieces of paper that ostensibly or purportedly carry Arafat's signature, that is easy to do; requisition orders to Iran for shiploads of weapons with Arafat's signature and a little round circle with a smiley face, which the Mossad puts together and that's supposed to be Arafat. I am outraged. Thank you, Mr. President.

SENATOR WICKERSHAM: Thank you, Senator Chambers. There are no further lights. Senator Jensen, you're recognized to close on your motion to return.

SENATOR JENSEN: Thank you, Mr. Speaker. This is strictly a technical amendment. I just ask you...that the...be returned for this amendment. Thank you.

SENATOR WICKERSHAM: The question is the return of LB 1021 to Select File for specific amendment. All those in favor vote aye, all opposed nay. Have you all voted? Record.

CLERK: 28 ayes, 0 nays, Mr. President, on the motion to return the bill.
